PLEASE NOTE: You should arrive in the theatre no later than the "half" i.e. 35 minutes before the starting time shown above – earlier is obviously necessary when costume and makeup are involved. If you find you are unable to reach the theatre in time for whatever reason (e.g. flood, snow, road blockage – we've had them all) please phone me on **07525 920728** to prevent any delay in rehearsal.

ALSO NOTE: Nearer the time, you may be given an earlier call to accommodate press photo calls or any other last-minute requirements. As much advance warning of this as possible will be given.
